

All Cosmos Scholarship Regulation

I. Purpose of Scholarships

In the desire to reward outstanding students and reserve talents, All Cosmos establishes scholarship program with College of Agriculture and Natural Resources (CANR), National Chung Hsing University (NCHU), TAIWAN to offer scholarship and grant to CANR's students.

II. Eligibility

Master and undergraduate students of CANR.

III. Scholarship Type and Amount

Both scholarship and grant are available to the applicants.

A. Scholarship

Applications will be accepted by the second semester of each academic year and be reviewed by All Cosmos. Selected recipients will receive the fund from the first semester of the following academic year to the second semester of fourth year (or the last year of study). All Cosmo offers each recipients NTD25,000 per month; one semester consists of 6 months and makes a total of NTD300,000 per year. Recipients should agree to employment at All Cosmos upon graduation for the same amount of years as the total years receiving the scholarship (refer to following table):

Application Period	Period of scholarship	Scholarship Duration (years)	Total amount received (NTD)	Length of Committed Employment (years)
UNDERGRADUATE				
2 nd semester of first year	1 st semester of second year to 2 nd semester of fourth year	3	900,000	3
2 nd semester of second year	1 st semester of third year to 2 nd semester of fourth year	2	600,000	2
2 nd semester of third year	1 st semester of fourth year to 2 nd semester of fourth year	1	300,000	1
MASTER'S DEGREE				
2 nd semester of first year	1 st semester of second year to 2 nd semester of fourth year	3	900,000	3
2 nd semester of second year	1 st semester of third year to 2 nd semester of fourth year	2	600,000	2
2 nd semester of third year	1 st semester of fourth year to 2 nd semester of fourth year	1	300,000	1

B. Grant

To encourage the scholarship recipients to participate in All Cosmos’s visiting trips, conferences and research projects during the scholarship period, All Cosmos will provide extra grant according to the scholarship recipients’ research and activity performance (see below for detailed amount and application period). Qualified recipients will receive both scholarship and grant with a total of NTD 1,200,000. Recipients receiving both scholarship and grant should agree to 4 years of employment at All Cosmos after graduation.

Application Period for Scholarship	Total Amount of Scholarship Received (NTD)	Application Period for Grant	Total Amount of Grant Received (NTD)	Total Amount Received (Scholarship + Grant)	Length of Committed Employment (years)
UNDERGRADUATE					
2 nd semester of first year	900,000	1 st semester of second year to 2 nd semester of fourth year	300,000	1,200,000	4
2 nd semester of second year	600,000	1 st semester of third year to 2 nd semester of fourth year	600,000	1,200,000	4
2 nd semester of third year	300,000	1 st semester of fourth year to 2 nd semester of fourth year	900,000	1,200,000	4

Application Period for Scholarship	Total Amount of Scholarship Received (NTD)	Application Period for Grant	Total Amount of Grant Received (NTD)	Total Amount Received (Scholarship + Grant)	Length of Committed Employment (years)
MASTER'S DEGREE					
2 nd semester of first year	900,000	1 st semester of second year to 2 nd semester of fourth year	300,000	1,200,000	4
2 nd semester of second year	600,000	1 st semester of third year to 2 nd semester of fourth year	600,000	1,200,000	4
2 nd semester of third year	300,000	1 st semester of fourth year to 2 nd semester of fourth year	900,000	1,200,000	4

IV. Review Process:

1. Preliminary Review: Review of the applications and supporting documents for qualification. Qualified applicants will be notified by All Cosmos for interview.
2. Interview: After the interview, shortlisted and approved by the Management of All Cosmos at sole discretion, the selected student list will be announced in September every year. Selected students will need to sign the "All Cosmos Scholarship Project Contract" with All Cosmos, otherwise the qualification will be annulled.

V. Rights and Responsibilities

1. All Cosmos Scholarship recipients should report to All Cosmos within two months after obtaining the degree (or finished military service) and perform the obligations under “All Cosmos Scholarship Project Contract”.
2. Recipients can apply to serve research and development substitute services in All Cosmos. Once the application is approved, the years serving as research and development substitute services can be included into the committed employment years.
3. Recipients can apply for internship in All Cosmos’ during school year after obtaining consent from the advisor. If he/she is accepted, All Cosmos will pay the compensation according to the company’s regulation.
4. Recipients are obliged to keep All Cosmos’ confidential information from misusing or disclosing to any person.
5. Recipients are required to participate in the conferences or visiting trips that All Cosmo hosts at least twice a year.
6. During the study with NCHU, if a recipient fails one or more required courses, is given major demerits by the university, or violates any terms stated in “All Cosmos Scholarship Project Contract”, he/she shall be disqualified from the scholarship, and the recipient is required to return all scholarship amount received previously.
7. A recipient shall return all scholarship amount received previously to All Cosmos if:
 - a. Fails to report to All Cosmos for employment after graduation (finished military service)
 - b. Suspends the study for any reason
 - c. Fails to retain the student status during normal studying years or fails to obtain degree

VI. Application Documents

1. Application form
2. Transcript for undergraduate study and graduation study (for master’s level students)
3. English proficiency test result

4. Copy of both sides of student identification card and personal identification card
5. Resume and Career Planning Statement
6. Two recommendation letters
7. Other supporting documents (journal articles, project research, related certificates, scholastic awards, achievements on extracurricular activities and etc).

VII. In the event of any discrepancy between this scholarship regulation and “All Cosmos Scholarship Project Contract”, the latter shall prevail.
