UNIVERSITAS GADJAH MADA
FACULTY OF ANIMAL SCIENCE

The 8th Summer Course Program

21 July - 3 August 2024

Harmony in Animal and Agricultural Production for Global Food Security (Hybrid)

About

This summer course program is designed to provide students with opportunities for accelerated learning, skill development, or exploration of new subjects in the field of agricultural and animal sciences.

We facilitate international students to engage in enrichment activities, such as field trips, guest lectures, hands-on projects, and cultural exposures, which can enhance their learning experience.

Course Theme

- Rural Development
- Agro-Tourism Integration
- Sustainable Food Systems
- Animal Welfare
- Agriculture and Livestock Production
- Agriculture Economics
- Indonesian Culture
