

**Internship Contract**  
**between**  
**College of Agriculture and Natural Resources, NCHU**  
**and**  
**All Cosmos, Malaysia**

This internship contract establishes the relationship between:

1. College of Agriculture and Natural Resources of National Chung Hsing University, TAIWAN (hereinafter referred to as “Party A”)
2. All Cosmos, Malaysia (hereinafter referred to as “Party B”)

For the purpose of providing the students the educational and career developmental opportunities with practical experiences, both Parties hereto agree to the following:

- I. The internship will begin from year 2014 and end in December 2015 with the duration of minimum 2 months per year in each internship program. There will be maximum 3 students from Party A being shortlisted and approved by the Management of the Party B at sole discretion to participate in this internship program every year.
- II. Responsibilities
  1. Party A is responsible for arranging contacts and assigning students for internship.
  2. Party B is responsible for assigning working units for students, reporting in, training, safety maintenance, and supervising the students.
- III. Party B provides the workplace for the students of Party A, and the students of Party A should follow the rules and regulations of Party B, accept the guidance from the supervisor assigned by Party B, follow safety maintenance regulations, and keep information related to Party B confidential.
- IV. Reporting in
  1. Party A should send the name list and relevant information of each student to Party B one week before the beginning date of the internship.
  2. When the students report in, Party B should provide orientation and assign a workplace supervisor to supervise the students.

## Compensation

1. Students will be paid on monthly basis, with the amount of NTD5,000 per month.
  2. The compensation will be transferred directly to the students of Party A through financial institutions.
- V. Party B will pay for the students from Party B with 1 round trip economic class air ticket from Taiwan to Malaysia/Singapore and a local accommodation.
- VI. Supervising
1. During the internship, Party B should assign a Workplace Supervisor to be responsible for supervising and guiding the students.
  2. During the internship, Party A should assign a supervisor to contact, mentor, and communicate with the students regularly.
- VII. If Party B is not satisfied with the student's performance, or the student cannot comply with the work requirements, both parties can terminate this contract with no remedy within one week after informing the other party.
- VIII. The internship should be relevant to the students' studies, and Party B cannot request students engaging in dangerous or illegal activities. Party B cannot ask the students to work at nighttime hours.
- IX. If Party B fails to fulfill the contract, Party A can terminate the internship and contract.
- X. Any matters insufficiently provided for herein can be amended with the consent of both parties.
- XI. This internship contract is issued in 3 copies – two copies for Party A and one copy for Party B.
